

FreeSides™

Designed locally to withstand Australia's harsh climate

Minimalist shading solution

The perfect alternative awning solution where DeepSides™ or WireSides™ is not practical
Specifically designed stainless steel hardware will lock the awning in place

Options

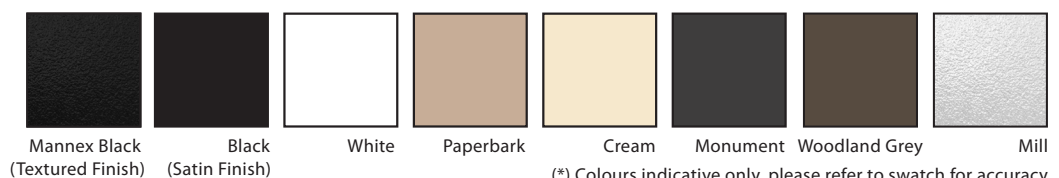

Select motorised or crank handle operation
Choose an open style or with weather shield
Customise with a hardware colour to compliment or contrast your external walls

Maximum recommended dimensions

5000mm Width x 2900mm Drop
