

# CHATSWORTH

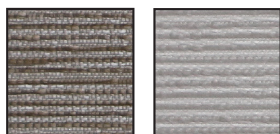

**CHATSWORTH** is an elegant jacquard with a subtle texture, soft sheen finish and 2020 colour palette.

The Chatsworth colour range embraces current interior themes of calm, relaxation and escape, including intense dark shades to the warm neutrals.

All twelve colours are available in a blackout and light filtering quality.

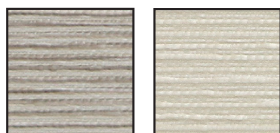

**Shimmer, Fawn, Cinnamon** and **Portabello** beautifully tone with this year's natural nude and grey tones.

**Aztec** is a sophisticated bronze grey, and **Rice** has a soft grey undertone.

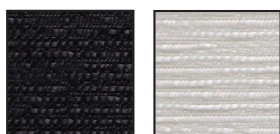

**Royale** acknowledges Pantone's Colour of the Year: Classic Blue which will lead the way in all fields of interior design.

**Gemstone** is a gentle sandy grey, whilst **Lunar** brings a classic cream to the range.

Dark accent colour **Ganache** provides a striking contrast to lighter wood finishes and furnishings which are currently trending.

Contrasting **Beluga** and **Crystal** compliment dramatic black and white interior schemes.

**CHATSWORTH SWATCHES** available overnight from your local distribution centre\*
